Celebrated during Women's History Month, In the Company of Women recognizes outstanding women who have made significant contributions in the South Florida community. Honorees have paved new paths for women by providing civic, social, business, government, and cultural leadership that enhance the Miami-Dade community. Proceeds from *In the Company of Women* benefit Miami-Dade County Parks and programs that support women, including The Women's Park and the Girl's Empowerment and Mentoring (G.E.M.) Summer Arts Camp. Funds are directed through the Parks Foundation of Miami-Dade, a non-profit organization dedicated to improving county parks and programs.

Miami-Dade County provides equal access and equal opportunity in employment and services and does not discriminate on the basis of disability. It is the policy of Miami-Dade County to comply with all of the requirements of the Americans with Disabilities Act.
